Welcome

claro (for iPhone 4)

Thank you for choosing the iSkin claro to protect your beloved iPhone 4. This remarkably slim, sleek and low profile protector features bold color and high-gloss style that gives you more than just basic bumper protection.

The claro's precision design perfectly encapsulates the iPhone 4 and helps to provide effective shock, impact and scratch protection from everyday use. We hope you enjoy using the iSkin claro with your iPhone 4.

1 Prepare your iPhone

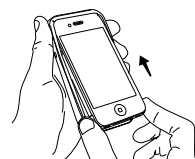

For optimal fit and performance, it may be necessary to remove any previously applied screen/body films from the iPhone prior to using the iSkin claro.

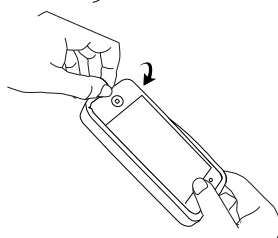

Gently and thoroughly clean your iPhone using a soft, lint-free cloth, and remove all surface dirt or oil. Also ensure that you wipe the screen to remove any small dust particles.

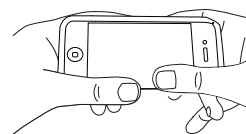

2 Placing the iPhone into the claro

Ensure that your iPhone is turned off. Then, insert the iPhone into the upper portion of the claro, as shown.

Next, stretch the bottom of the claro over the rest of the iPhone, so that all of the corners around the iPhone's screen area are covered.

Then, as necessary, gently massage to align all edges and openings with the iPhone. This will ensure a perfect, snug fit.

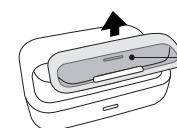

3 Cleaning

Over time, tiny particles may find their way in between the iSkin claro and the iPhone. It is recommended that you completely remove the iPhone and rinse only the iSkin claro with warm water to remove any buildup. **Dry the iSkin claro thoroughly before reinserting the iPhone.** In addition, wipe your phone using a Microfiber Cloth to remove any surface dirt before reinserting it into the iSkin claro.

Repeating this process from time to time will help keep your iPhone looking great over time.

4 Docking with the iSkin claro

The iSkin claro's slim design allows it to work with the Apple's Universal Dock and devices that support universal dock design. To dock your iPhone with claro, remove any fittings that may be inserted into the dock giving enough space to accommodate both the iPhone and iSkin.
