Experience touch Vibes

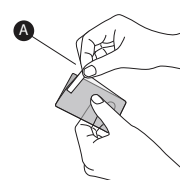

Thank you for choosing the iSkin Vibes to help keep your beloved iPod touch 2G safe. The Vibes combines legendary iSkin protection with fashionable design and form-fitting, low-profile styling. Made from a flexible polymer, the Vibes is designed to deliver iPod touch body protection without adding bulk or altering its aesthetic beauty. The Vibes also includes an ultra-clear screen film to help protect against screen scratches.

1 Prepare your iPod touch 2G

Gently and thoroughly clean your iPod using the LCD Cleaning Wipe or lint-free cloth to remove all surface dirt or oil. Also ensure that you wipe the screen to remove any small dust particles.

2 Installing the Screen Protector

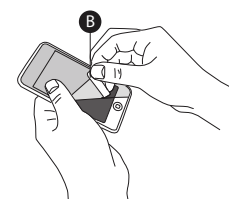

For best results, ensure that your iPod touch is free of dust particles and other surface impurities.

1 Peel away the plastic on "Side A" of the Screen Protector and reveal its tacky side.

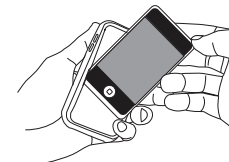

2 With "Side A" (the tacky side) facing the iPod touch, evenly apply the Screen Protector. Rub the Screen Protector gently, from side to side, in order to remove any air pockets that may have formed during installation.

3 Once the Screen Protector is firmly in place, peel away the plastic on "Side B" of the Screen Protector (the side facing up). This completes the installation of the Screen Protector.

The included Screen Protector does not use adhesives, and can be removed anytime without leaving residue on the iPod touch.

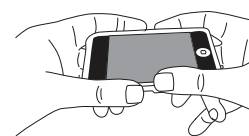

3 Placing the iPod touch 2G into the Vibes

Insert the iPod touch into the lower portion of the Vibes as shown.

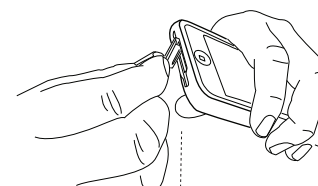

Stretch the Vibes over the top of the iPod touch to cover all corners around the iPod's screen area.

Massage the Vibes to a perfect fit, aligning all edges, controls and openings.

4 Final touches

Port Protector

Insert the Port Protector and help guard your iPod touch's vulnerable docking port from dust, dirt and moisture that could cause serious damage.

iSkin Dock Adapter

Easily connect to iPod touch-related accessories that use the Apple Universal Dock with the included iSkin Dock Adapter.
